2016 Pre-College Art and Design Scholarship Guidelines:

Students must formally apply to the Pre-College Art & Design program by submitting an application in order to be considered for a scholarship. The deadline for the completed admission application is April 1, 2016. Once a student has been admitted to the Art and Design program, they are eligible to complete the scholarship application for consideration (second page of this document). All scholarship applications must be received by April 1, 2016. Applications received after this date will not be considered.
