

FUNDING INFORMATION

Before OIE can issue your I-20 or DS-2019, we must receive proof of financial support for your first academic year of study at Carnegie Mellon as well as the potential for continued financial support for the remainder of your program. The minimum amount of funding you must provide must equal or exceed the expenses noted below. Complete the following "Source of Funds" section and provide required supporting financial documents. Supporting financial documents must be: 1) in English, 2) original documentation (no copies, faxes or scans), 3) dated less than six months old, and 4) clearly state the name of the account holder and the amount of funding available in U.S. dollar equivalent. Refer to cmu.edu/oie/foreign-students/coming-to-cmu.html, "Foreign Students, Coming to Carnegie Mellon," for further details. You should obtain three sets of original financial documents: send one set with this form, keep one set for your U.S. visa application and carry one set with you to present to immigration officials as you enter the U.S.
